Linda Munson

Ambassador Spotlight: Linda Munson with Housewarmers of Allen

Linda Munson arrived in North Texas from Massachusetts in 1990 and has been an Allen resident since early 2000. Her love of Allen led her to Housewarmers of Allen in 2006 as a delivery representative. Realizing what a great asset this service is to the community, residents and businesses, she took the entrepreneurial plunge in November 2009 and became the 3rd owner

of Housewarmers of Allen in its 21 year history. She also became very involved with the Allen Fairview Chamber of Commerce as both a member and Ambassador. She is also an alumni of the best class of Leadership Allen Fairview, Class XXVI and recipient of the Ambassador of the Year award in 2013. Linda views making connections and building relationships to benefit all as her mission

in life. Digging down and getting to know the workings of the community and the needs of the people gives her great satisfaction and purpose. Chamber membership has been key to opening the doors to these opportunities. Meeting new residents, listening to their needs and providing a direct referral to a local resource is an amazing way to strengthen the community bond.
